Greeting in the name of our Lord Jesus Christ.

Eph 4:2 ¶ With all lowliness and meekness, with longsuffering, forbearing one another in love;

Eph 4:3 Endeavouring to keep the unity of the Spirit in the bond of peace.

Eph 4:4 *There is one body, and one Spirit, even as ye are called in one hope of your calling*

Looking back over September, I find myself asking a lot of questions. The death of Charley Kirk and the overwhelming response to his death is amazing. To see the youth coming together in support of Christ is a miracle. We are in a battle for the souls of America and the world. I will turn eighty years old on October 7, and I really never thought I would reach this age. I have Agent Orange from Vietnam, and I am told that ninety percent of those who served in 1965-66 have passed on. It is estimated that 1.2 million Vietnam Veterans are alive today. This is covering the years 1965-1973. Volunteering at the DAV (Disabled American Veterans) has been a real eye opener to me. I get the chance to meet so many people many are Believers and share their story. Meeting widows who have buried their husband and trying to help them get death benefits can be heart breaking. Many men have not prepared for death, and the wife is challenged with burying the husband adjusting to new way of life and finances. Some of the stories I here will break your heart. The love stories will warm your spirit and heart. I am so thankful the Lord has given this opportunity as a ministry to me. In many ways I am pastoring people by helping them and sometimes if the door opens, I can give a witness. One of the rules for the service people is no politics and no religion.

As to our ministry in Guatemala, Mexico and Philippians our national pastors continue to work in building the church. Please Pray for Brother Hermon, Brother Bennie and Ronilo and Grace Ampatin as they labour in building the work. Ronilo and Grace have been ten years in starting the working in Philippians. Amazing Grace ministry. Please pray for John Gardner he has Blatter cancer.

As for my health and Susan health: I am still dealing with injuries from the accident. AS of this writing I have not got my jeep out of the shop. They have been waiting on parts. It will be three months, and I know the insurance company does not like paying for a rent a car. I am still in therapy for my back shoulder and neck. Susan has a problem with her hips and shoulder and has been getting injections for them. Please pray for her as she is a real trooper.

This Thursday October 9 we will fly up to Virginia as the children are putting together an 80-year-old birthday party for me. I was not supposed to find out about it. It will be at our daughter's home on the 10th.
